remarks: Joffrey is a slow starter who can grow into a tournament. Maybe losing weight has an effect on his first fight. We saw the same in Ingelmunster, but every fight he get's better. He stil needs to work on his game against left players. Both the semi final and the fight for bronze were against left opponents.

IBSA Judo Grand Prix Antalya

Para Judoka Roberto Lomba verliert Auftaktwettkampf

Luxembourg, 02.04.2024 – In Antalya fand am 01. und 02. April der dritte IBSA Para Judo Grand Prix des Jahres statt. In insgesamt acht Gewichtsklassen der beiden Startklassen J1 (blind) und J2 (sehbehindert) kämpften die Para Judoka um wichtige Punkte für das Paralympic Ranking für die Paralympischen Spiele in Paris. Aus Luxemburg startete Roberto de Almeida Lomba in der Startklasse J2 – 73kg. Er verlor seinen Wettkampf gegen Donghoohn Kim, einem Para Judoka aus Korea, dem er schon beim IBSA Grand Prix in Heidelberg im Februar unterlegen war. Jérôme Guenzi, Trainer der Fédération Luxembourgeoise de Judo, sieht dennoch eine positive Entwicklung: "Der Kampf war viel enger als beim letzten Mal, auch wenn Roberto noch viel Arbeit vor sich hat, um die Lücke zu schließen."

Luxembourg, 02.04.2024 - le troisième IBSA Para Judo Grand Prix de l'année a eu lieu à Antalya le 01 et 02 avril. Dans un total de huit catégories de poids et des deux classes J1 (non-voyant) et J2 (malvoyant), les para-judokas se sont battus pour gagner des points importants pour le Paralympic Ranking en vue des Jeux Paralympiques de Paris. Il a perdu son combat contre Donghoohn Kim, un para-judoka coréen qu'il avait déjà battu lors du Grand Prix IBSA à Heidelberg en février. Jérôme Guenzi, entraîneur de la Fédération Luxembourgeoise de Judo, voit néanmoins une évolution positive: "Le combat était beaucoup plus disputé que la dernière fois, même si Roberto a encore beaucoup de travail pour combler le fossé".
